## Getting Together

It's as simple as  
walking down the stairs with people.  
Trying to belong to Falls Church  
High School,  
and finding out the meaning of  
honest experiences.  
It's putting out the energy  
and enthusiasm  
to make things work.  
Being in a class that you  
really can understand.  
A new beginning  
A new year  
for  
Getting Together.

It can be with a  
happy crowd,  
resting from a job well done  
and cheering;  
or just going across the bleachers  
with your friend to  
get a coke.  
It can be watching two teachers  
talking,  
and wondering why  
they try so hard to give you knowledge.  
A questioning  
A wanting  
for  
Getting Together.

It's a kind of mixture of things.

Singing a song

that blends all voices.

Being free at a dance even in  
the school cafeteria.

Holding a meeting—not doing much  
but having a good time.

It's anticipating a victory for your team;  
or figuring the best way to get to the  
parking lot for a trip to McDonald's.

The closeness of holding hands.

A satisfaction

A joy

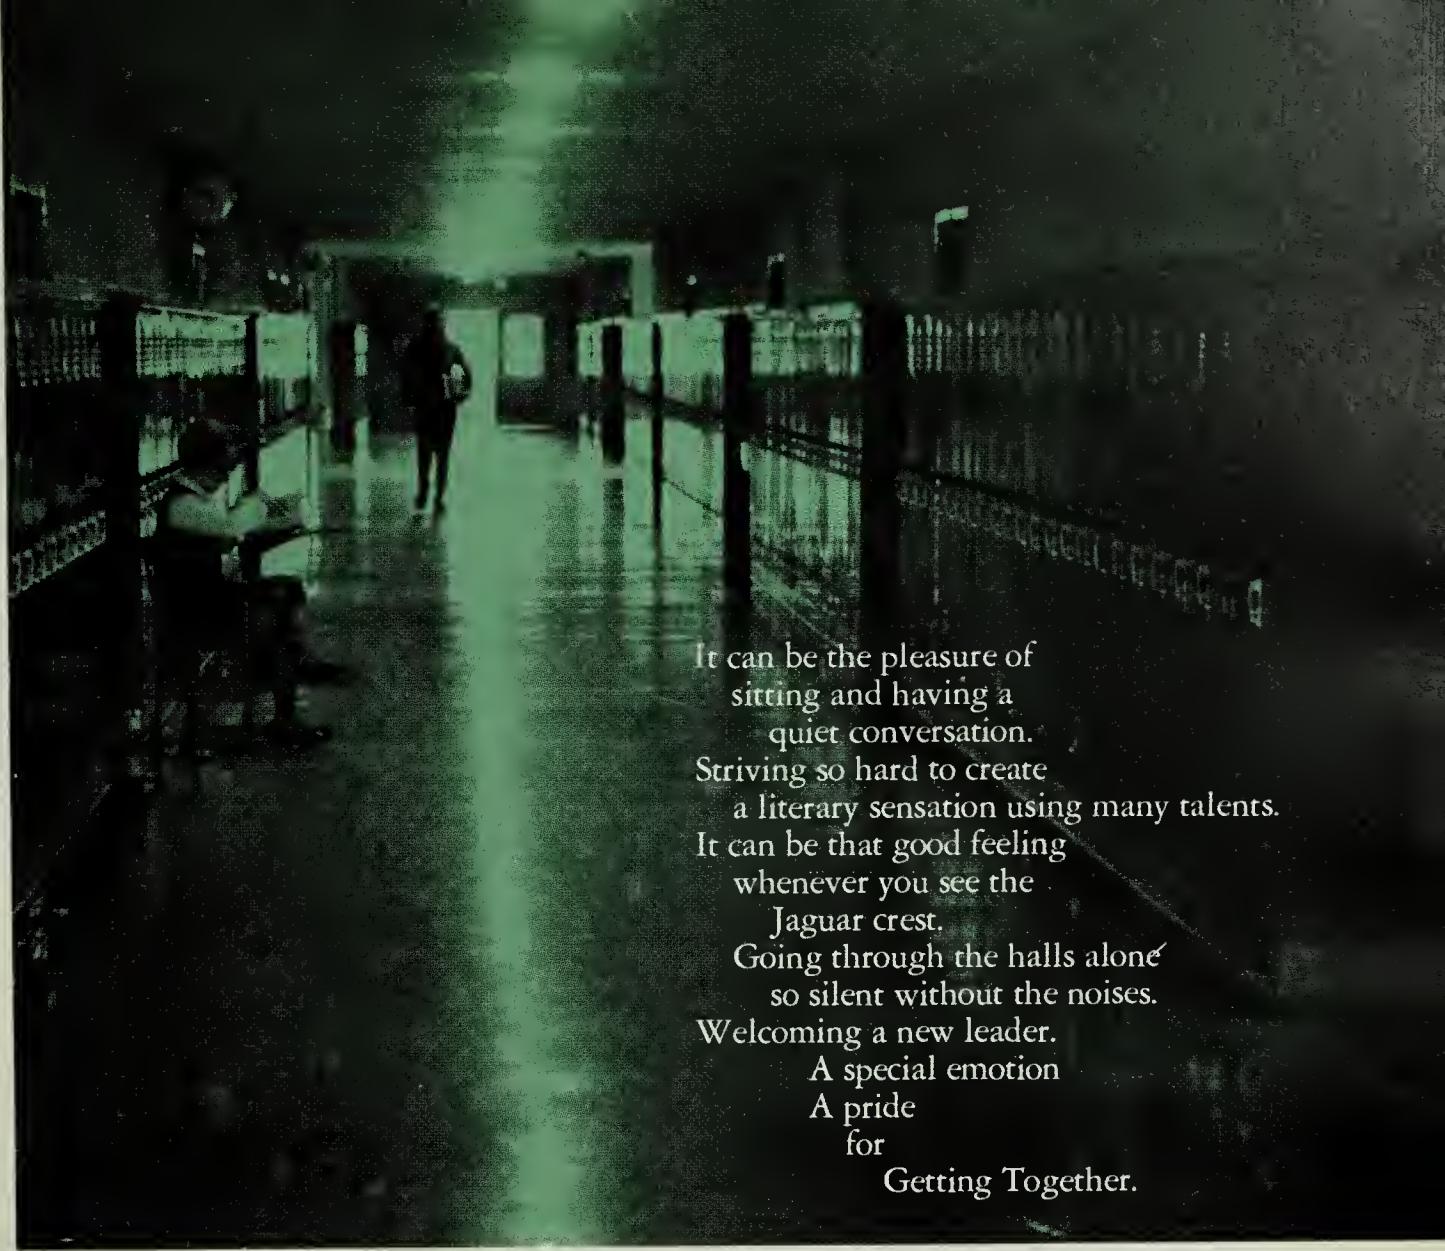

for

Getting Together.

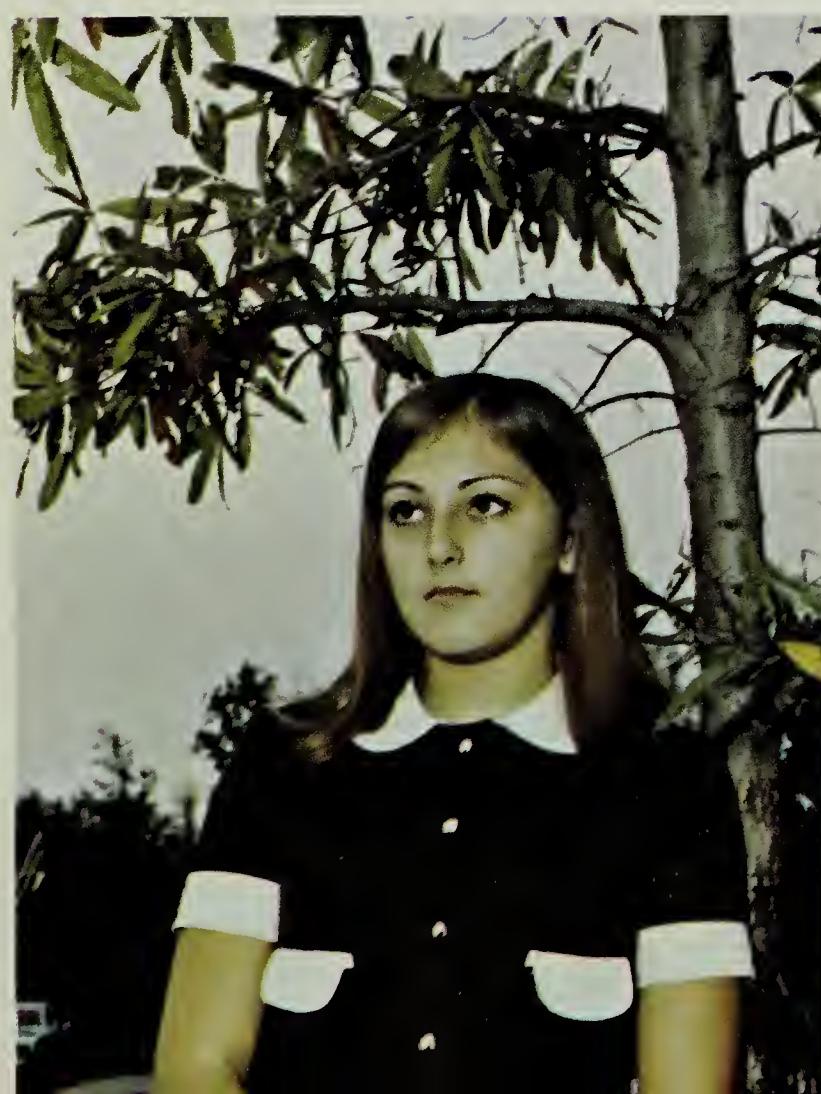

It can be the pleasure of  
sitting and having a  
quiet conversation.  
Striving so hard to create  
a literary sensation using many talents.  
It can be that good feeling  
whenever you see the  
Jaguar crest.  
Going through the halls alone  
so silent without the noises.  
Welcoming a new leader.  
A special emotion  
A pride  
for  
Getting Together.

It's as meaningful as  
seeking success.  
Familiar as reading  
in a comfortable chair.  
It includes a certain  
complication in finding  
yourself  
among everybody else.  
It's a vital part of living  
and can lead you  
to wherever you want to go.  
A realization  
A hope  
for  
Getting Together.

## Student Life

### Student Life

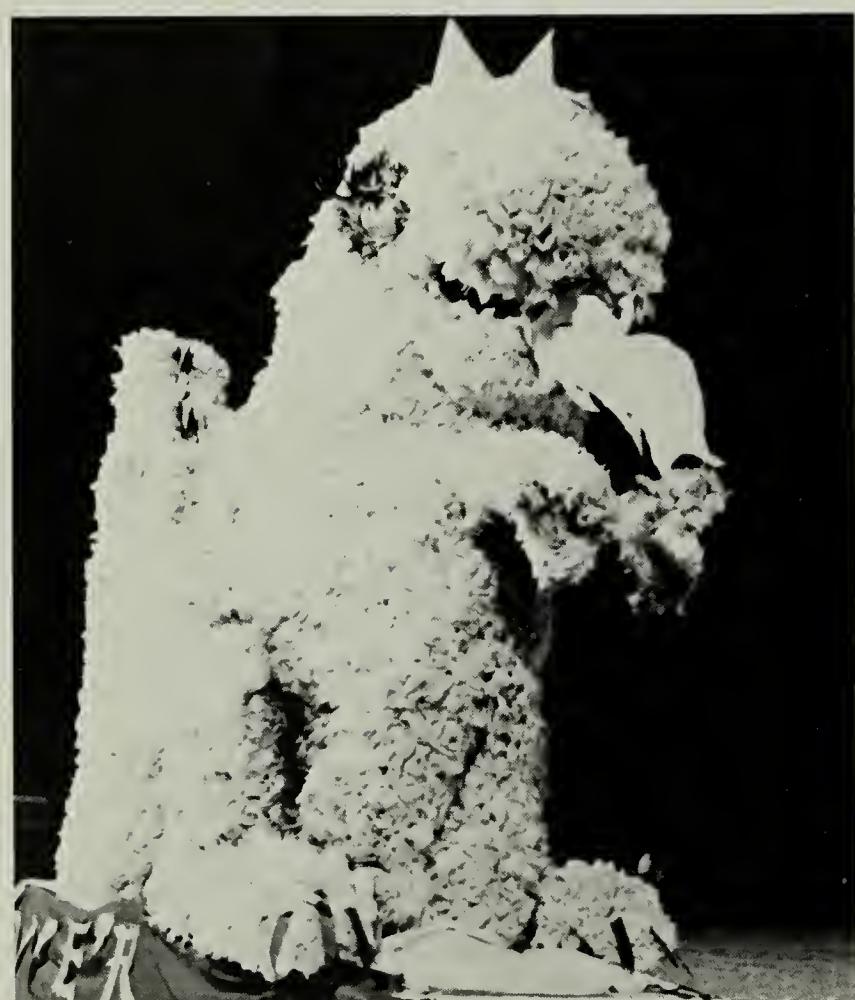

A multitude of happenings.  
Events throughout the year  
Important to those who  
planned, participated  
observed and enjoyed  
Channels that gave chances for communication.

Homecoming Court 1970: Donna Shine, Freshman Rep.; Carinne Binda, Junior Rep.; Jane Daniel, Senior Rep.; Cathi Rudacille, Queen; Valerie Lewis, Maid-of-Honor; Debbie Brosha, Senior Rep.; Nancy Cowan, Sophomore Rep.

Seniors are "all fired up for a victory!"

The Band "drums up" their first victory.

# An Oriental Air Spices Homecoming 1970

The Orient came alive during half-time activities and the 1970 Homecoming Dance.

The parade of floats and the crowning of the Queen was climaxed by the Senior dragon and the band's drummer winning the float prizes.

The band won for the first time, and the Seniors for the third year in a row.

The Jaguar football team pounced on the Jefferson Colonials to produce a memorable Homecoming victory. The theme of "Oriental Gardens"

was evidenced by cherry trees, paper lanterns and Chinese murals, and a pagoda for court presentation at the dance Saturday night.

The newly crowned Queen, Cathi Rudacille, and her Maid-of-Honor, Valerie Lewis.

Mr. Taylor congratulates the new queen.

Couples move to the rhythm of The Riddle at the first formal dance of the year.

# Pride And Spirit Come Naturally To F.C.H.S.

Honoring everything about F.C.H.S. was the theme of Pride Week. Students showed pride by making posters, wearing green and white, and sneakers, and showing school spirit. Clubs and classes competed in hall decoration, where the freshmen and sophomores and the Key Club and Keyettes came out on top. The pep rally for the Woodson Football game, featuring the FBLA pinata and Mr. Allen as the "Bunny Man," closed a week of expressing pride in FCHS.

Spirit makes a man go wild!

Super Seniors shout their pride.

Victory candy flies in all directions.

The success of the week was due to student participation in honoring their school.

Front Row: Mike Buchan, Pappy Yokum; Lauri Goodman, Mammy Yokum; Brenda Ferguson, Wolf Gal; Linda Anderson, Cave Gal; Barbara Porvaznik, Moonbeam McSwine; Yvette Henderson, Passionata Von Climax; Joani Dickson, Daisy Mae. Second Row: Rich Evans, Tiny Yokum; Jeff Southard, Marryin' Sam; Tripp Bradd, Injun Joe; Rickey Gaskins, Honest Abe; Mike Dunn, Lil' Abner.

Time out for a little socializin' — Dogpatch style.

## Dogpatch USA

Dogpatch came alive again as Falls Church girls pursued their men in the annual Sadie Hawkins activities.

After a solid week of grubbing for money, money, and more money, the twelve winning Seniors shrieked their way through the cafeteria, searching for mates. Everyone joined in the hillbilly dress at the big dance Wednesday night. At that magic hour, guys, closely followed by their gals, took off in the Sadie Hawkins Day Race. Marryin' Sam did the honors as the girls finally caught their men.

"He's *all* mine!" boasts Brenda Ferguson.

Witch-boy is grateful for his chance to become a human.

## A Sad Story Of Defeated Love

The witch-boy John was made human for the love of Barbara Allen. The townspeople torment the pair, and *Dark of the Moon* ends with the death of Barbara and John's return to the life of a witch. This eerie fantasy-drama was the Drama Department's Fall Play. *Dark of the Moon* was marked by mood lighting, constructivistic sets, and the music of the Smokey Mountains. The haunting ballad of Barbara Allen will stay with those who saw the play.

"Oh Barbara, will you marry me, and will you leave me never?"

Queen Vickie Saunders and her Maid-of-Honor, Debbie Williams, reign over the 1971 Sweetheart Dance.

## Arabian Theme Adds Magic To Sweetheart Dance

The fantasy of an "Arabian Night" caught everyone's imagination as many couples got an early start on Valentine's Day at the annual Sweetheart Dance. The cafeteria was transformed into a desert oasis by tents, palm trees, and a paper mache camel. Music was provided by the Mike Harris Group at this semi-formal event sponsored by the Student Government.

The highlight of the evening was the presentation of the court: the Queen and Maid-of-Honor and their twelve attendants who represented each class.

# Winter Play Produced In The Round

Rhoda was a psychopathic killer.

Without pity or a conscience,  
the child killed those who crossed her  
and was never suspected.

Only her mother knew,  
and had to find some way to  
deal with her horrible problem.

This true story of the "Bad Seed"  
was the Winter thriller

presented by the Drama Club.  
Because it was put on in the round  
in the Little Theatre,  
"Bad Seed" was a technical triumph  
for all involved.

The demanding nature of all the roles  
called for great skill from all.

The high point came when a sign was put  
outside saying "Standing Room Only."

David Ford, being transformed into Mr. Daigle.

# Variety Show Produces New Talent

Marathon dancers and comedians, folksingers and baton twirlers were just some of the acts presented at the 1971 Variety Show. Sponsored by the FC Art Department, the show raised money for the Art Scholarship Fund which is given annually to an outstanding art student. Both Falls Church students and people outside the school performed. Other acts included a girls gymnastics team, father and son country-western singers, a ballet dancer, and a selection by the Falls Church High School Band percussion section.

For variety, this clown looks at things from a different angle.

Carolyn Moore, Mistress of Ceremonies, kept the audience chuckling.

Drama Club members did improvisations in between acts.

## Seniors Romp Past Juniors

Scott Christopher fires over a tough Junior defense.

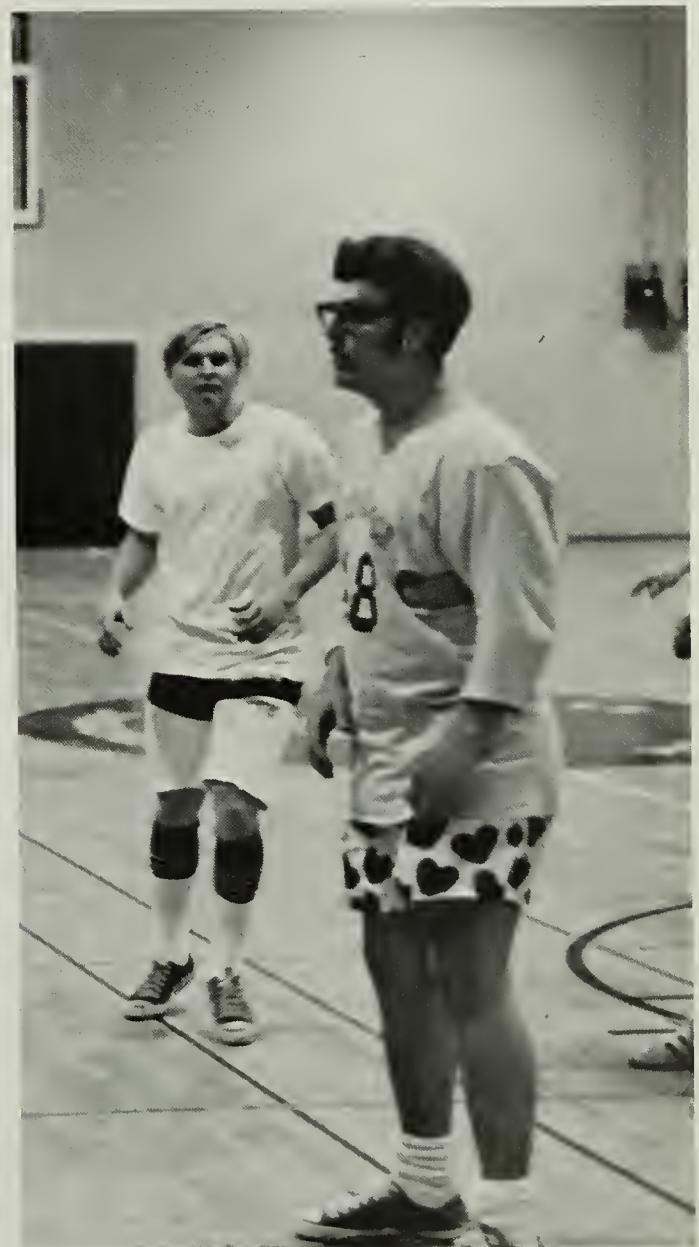

The Senior Bench shows signs of weariness as Roger Chapman makes a free throw.

Once again, the mighty Seniors overcame the challenge of the Juniors by a score of 56-45 in the Junior-Senior Basketball Game.

Cheerleaders for a night created ridiculous stunts to urge their respective teams to a big victory.

All the students, from players to cheerleaders, volunteered in this Key Club sponsored effort to raise money for their South American foster child.

A Key Club soc-hop immediately after the game also brought in money for this worthy cause.

John Morris dresses for the occasion at the annual Junior-Senior Game.

## Girls Compete For Honored Position

Thirty nervous beauties representing the freshman, sophomore, and junior classes eagerly waited the crowning of Miss Falls Church High School.

Fifteen seniors also competed for the position of Senior Representative in this FBLA sponsored contest.

Contestants wore casual outfits and gowns in red, white, and blue to go along with the theme of "The Grand Old Flag".

Valerie Lewis, Miss FCHS of '70-'71, helped the girls in preparation for the contest.

The participants also elected a "Miss Congeniality".

## Service Clubs Slave For March Of Dimes

Crazy costumes  
and scatter-brained stunts  
could only mean one thing—  
the Key-Keyette sponsored  
Maid and Butler Day.

Students bought chances  
for a dime, or three for a quarter,  
on the person they wanted  
as a slave for the day.

After the grand drawing,  
students brought all sorts of  
paraphanalia and signs  
for their maids and butlers.  
It was slightly embarrassing  
for the club members to perform  
all the strange tasks,  
but it was all done for a good cause—  
the March of Dimes.

There *are* limits to what a maid will do!

## Guns Blaze At Roaring Gulch

A lady sheriff,  
an evil hotel owner,  
and an outlaw and  
a good-guy who are twins  
dominated the stage as  
Thespian Troupe 1330 presented  
"Blazing Guns at Roaring Gulch."

This melodrama  
was the first "dinner" theatre at FC.

Peanuts and root beer  
were served in a saloon atmosphere  
by chorus girls.

The show also had  
four performances,  
two of them in the afternoon.

Another highlight  
was the showdown between the twins,  
who were played by one actor.

# Shades Of Time

Seniors remembered many  
"Shades of Time"  
at the annual Junior-Senior Prom  
held on May 15.

This year, the juniors  
staged this last formal dance  
at Tyson's Corners Shopping Center.

Couples danced  
to the sounds of "The Eye"  
from the Fashion Court  
to the Aviary Court.

The hard-working juniors  
used tables, candles,  
and drops over the store windows  
in orange, pink, red, and yellow  
to decorate the mall.

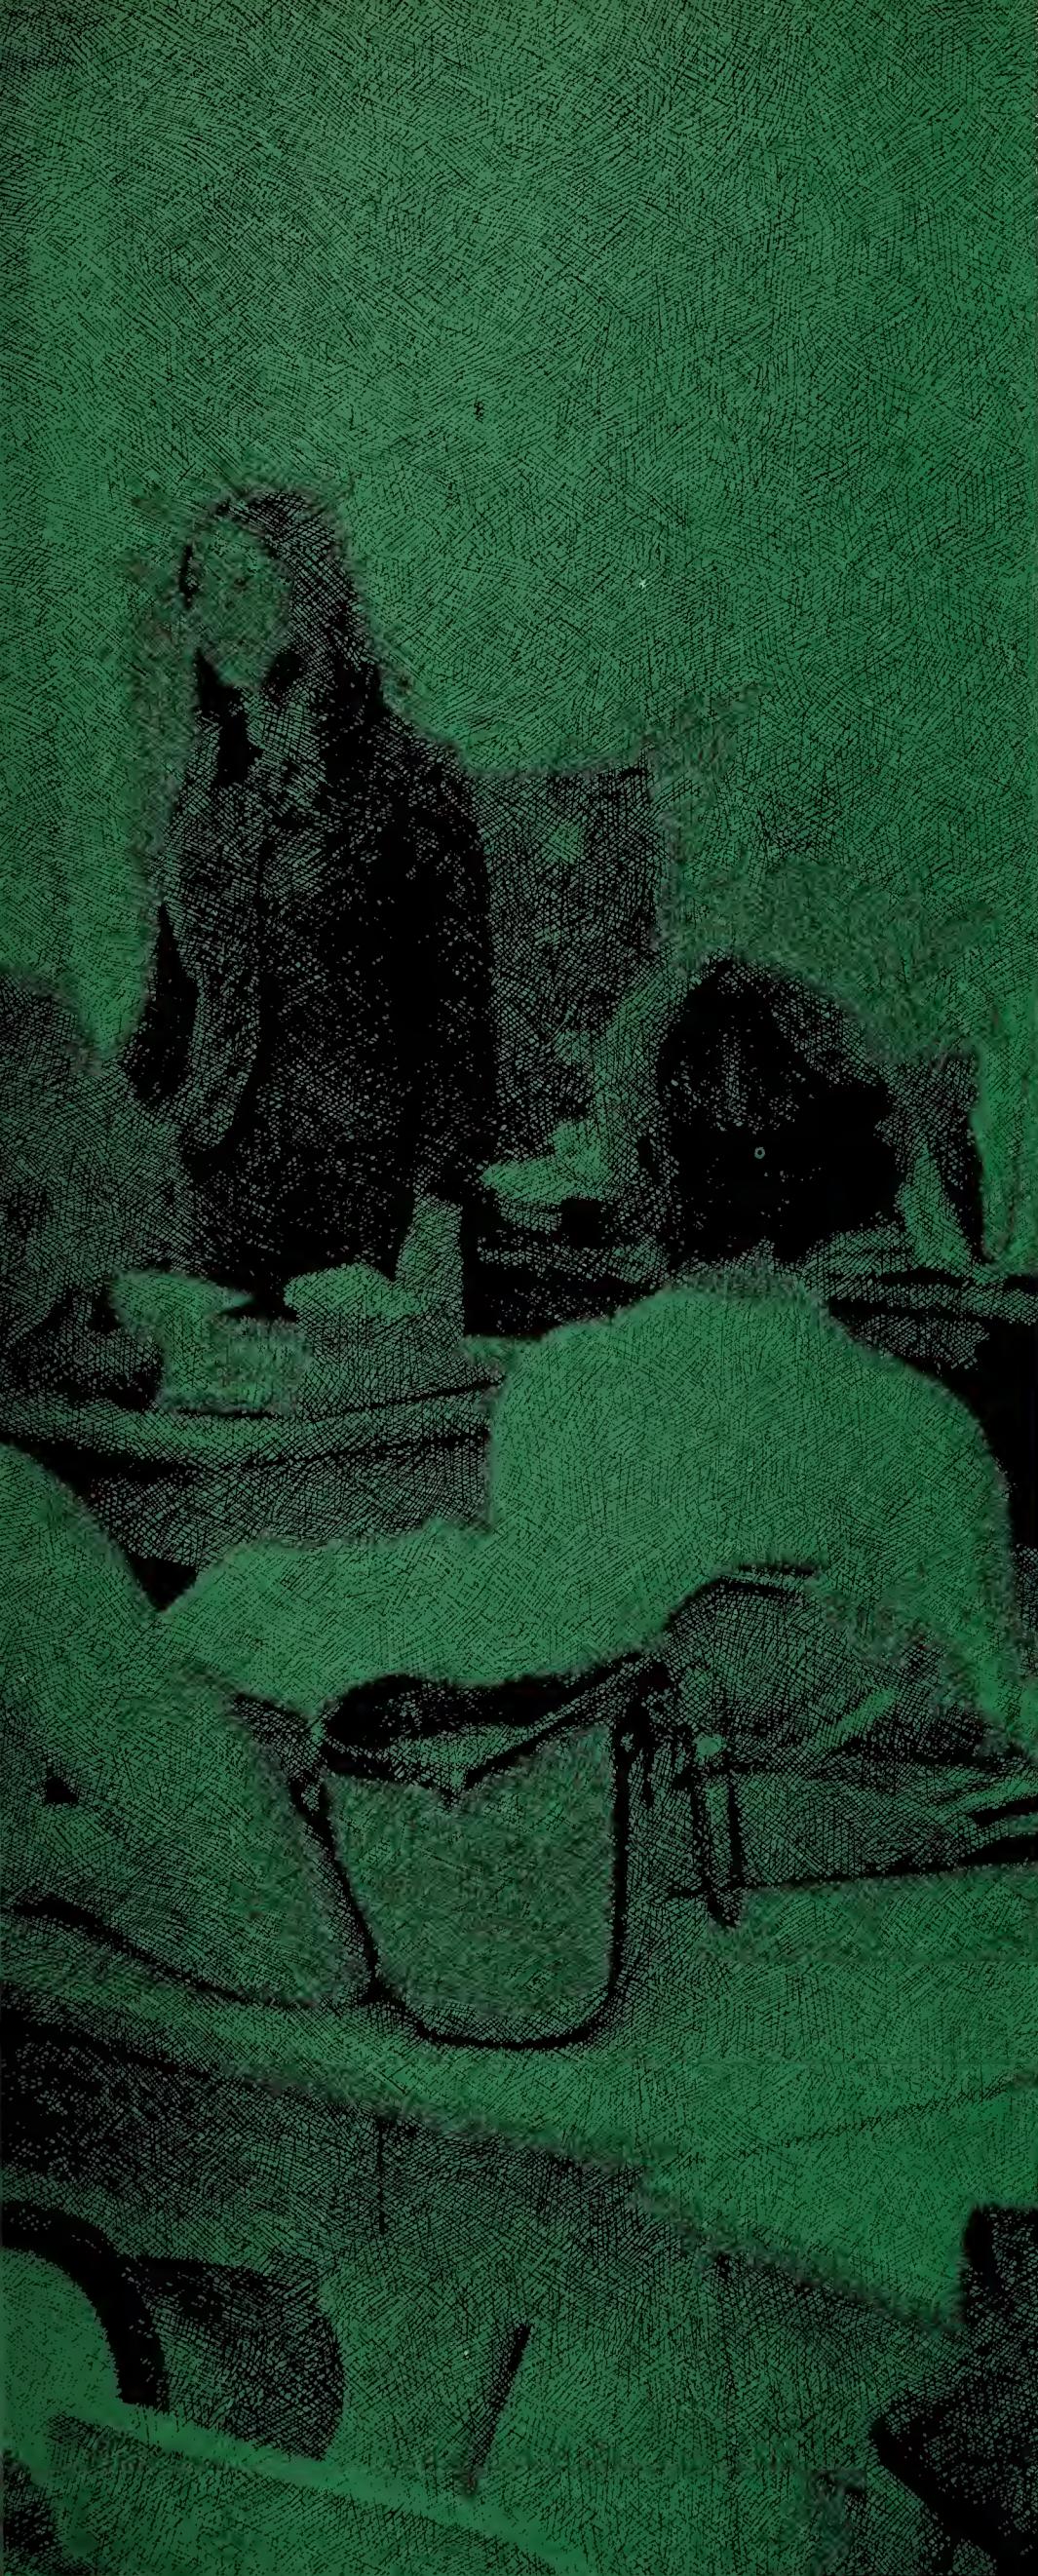

The Queen and her Court reminded all  
of the wonderful year behind them.

## Student Government Brings About Constitutional Changes

Executive Vice-President — Sonja Cook

The old SCA became the Student Government as revisions in the Constitution brought many needed reforms. The SG President was given veto power over the Senate, and the duties of the Parliamentarian were defined. Student Government worked closely with other Area II schools the past year.

The Area II Council petitioned to close school at 2:30 and exchanged students for a day in order to observe problems and their solutions, curriculum, student rights, and the internal workings of schools in other situations.

Secretary — Nancy Kirkland

Parliamentarian — David Cushing

## Area II Exchange An Overwhelming Success

Student Government officers tried to bring the SG closer to the student body by holding think sessions with representatives from all classes in the school attending. Along with these innovations, the SG continued the tradition of the Magazine and Canned Food Drives, and Freshman Orientation.

The usual dances were all overwhelming successes.

Overseeing elections, sponsoring assemblies, and creating seventh period activities were major contributions made to FC student life.

Mr. Campbell consults the S.G. officers prior to their first meeting.

# Honor Societies Recognize Scholastic Achievers

To promote scholarship and service,  
members of the National Honor Society  
and the National Junior Honor Society  
took on a variety of activities.

National Honor Society members  
offered free tutoring during seventh period  
to anyone who needed help.

Social occasions were not ignored  
as two inductions and  
a spring picnic were held.

The underclassmen were not to be outdone  
by their elders as they

collected for the Canned Food Drive  
and organized an Easter service project.

The writing of a new constitution  
for the National Junior Honor Society  
was another major project undertaken  
during the '70-'71 school year.

# Students Show Talents In Various Honor Societies

That experiencing culture goes hand-in-hand with learning a foreign language was discovered by outstanding scholars in the French Honor Society and the Spanish Honor Society. Latin America was the focus of the Spanish students' activities as exchange students lectured on their country, with an emphasis on Chilean affairs, and members prepared a potluck dinner. The French Honor Society, meanwhile, sampled French cuisine at Chez Andre and Napoleon's. Students also set up a French library containing novels and texts, and several French movies and plays, and presented the Balfour Key to an outstanding senior in May.

Students down on all fours groveling before a grinning Thespian was a commonplace sight on Neophyte Day, preceding another Thespian induction. The "hams" took time out from their own dramatic productions to view musicals and plays produced by both amateurs and professionals, and to write an original revue. These outstanding dramatists had a Thespian reunion, an olde-fashioned Christmas party, and a Halloween Spook House just to keep things entertaining. A trip to New York to see a show, and one to the Thespian conference rounded out an active year.

Rivalry between schools was fierce as students excelling in debate and mathematics formed teams for district competition. Five mathematically inclined seniors answered eight tricky, timed problems in Math Meets against other schools.

The Falls Church team placed high in the Northern District and in the County as well.

The issue of Federal control over air and water pollution was the national resolution discussed by the Debate Society

The Varsity and JV affirmative and negative teams competed within the district beginning in February.

A buzzer sounded,  
a button lit up,  
and a member of the FCHS

"It's Academic" team

It took lightening-sharp reflexes and

## *Jaguar Tries To Present All Facets Of F.C.H.S.*

Beginning at the end of school last year, the 1971 *Jaguar* staff plotted and planned to produce a yearbook that would best reflect *all* students.

The task was huge: there were hundreds of pictures to be taken, endless lay-outs to be created, copy and captions to be thought of, and hours to be spent on week-ends and holidays in order to meet the deadlines.

The editors had to make the difficult and exciting selection of the cover, which was a secret.

When that final deadline was met and all the cropping, re-writing, typing, and proofing had been done, the staff nervously awaited the books.

Doug Walker, Sports Editor; Gayle Barnwell, Feature Editor; Liz Gilchrist, Editorial Editor; Stephen Greenberg, Editor-in-Chief; not pictured, Tracy Taylor, News Editor.

Editor Steve Greenberg and Miss Harris know from experience the pains of meeting deadlines.

Liz Gilchrist is amused by Doug Walker's "hunt and peck" typing method.

## Successful Jaguar Journal Arouses Student Opinion

The *Jaguar Journal* tried to be a forum for all student opinions, a reliable source of information, a recognizer of outstanding people, and a reflection of life at FCHS.

Difficulties arose in the form of a new typesetter, a switch in sponsorship mid-year, and a loss of revenue, the block plan.

Despite these obstacles, the staff rushed and sweated each month to provide a good paper.

A major goal was achieved in the spring when added manpower, in the form of next year's staff, brought the money and workers needed for an expanded format, making the paper a true reflection of all.

Reba Trask, Editor; Susie Peterson, Assistant Editor; Rosemary Sullivan, Literary Editor; Bruce Austin, Assistant Literary Editor; Jo Holmaas, Paul Hennessey, Art Editors; Barbara Martin, Business Manager.

General Staff: Debbie Blough, Kathy Dehaven, Mitchell Grees, Dirk Mattheison, Mike Mattheison, Tim McCormack, Ellen Mowson, Beth Nelson, Melinda Pittman, Vickie Pomeroy, Kathy Smith, Raymond Van Lienden.

## Paw Print Creates Collage Of Student Ideas

*Paw Print* ceased to exist last fall.  
In its place came the Literary Magazine,  
without a formal name,  
but with a symbol on the cover  
reflecting the material within.  
Combatting the usual student apathy,  
the staff put on a  
creative and amusing advertising campaign.  
Eye-catching posters,  
notices in every locker,  
and vibrant PA announcements  
were just some of the ways  
the Literary Magazine staff  
bedazzled students into submitting  
original literature and art work.  
Because of this ingenuity and hard work,  
the Literary Magazine was published  
for the first time in the spring.

Paul Hennessey knows that relaxation is the key to creativity!

## Kadens Change Name To Civinettes

One of the Civinettes innovations: secret pals.

Kadens became members of a national club  
and became the Civitan's sister club  
as the name officially changed to  
Civinettes.  
Service activities included  
collecting for ALSAC, Multiple Sclerosis,  
UNICEF, and the Canned Food Drive.  
Unfortunate people were a source of concern  
as the girls visited Freedman's Hospital,  
sponsored an American Indian,  
and worked at the TB Center.  
Providing SENIOR ribbons,  
selling shamrocks on St. Patrick's Day,  
sponsoring Hush Day,  
and operating a coat check with the Key Club,  
were just some of the ways  
Civinettes served the school.  
Fund-raisers were part of the year as well.

The Keyette float not only "sealed" up a victorious season for the Jaguars but also a victorious year for the Keyette Club.

## Keyettes Promote Walk For American Indian

"Walking" for money was the Keyette International Project which raised thousands for American Indians.

Keyettes also lent a helping hand to the Fairfax Lodge, the TB Association, Muscular Distrophy, the Cerebral Palsy Center, the Salvation Army, and UNICEF.

The rivalry with Stuart was livened by the voodoo dolls sold for football games and the spirit rings for basketball games.

Keyettes dressed for the Fall Fashion Show and went "grub" for Shoe Shine Day. The cafeteria rocked each day with Music from the Keyette jukebox. Slumber parties, secret pals, and Keyette Convention made all the girls lasting friends.

1970-71 Keyette Officers: Sonja Cook, Cindy Plank, Pat Powers, Mary-Jane Bell, Beth Parmenter, Brenda Ferguson, Sandy Seymour.

# Torch And Banner Club Pursues Service Goals

Even though it was the small-est service club,  
the Torch and Banner Club  
worked hard for school and community.

The Salvation Army, the March of Dimes  
the Cerebral Palsy Center,  
and the Half Way House  
all benefitted from TAB  
time and money.

Talented girls created favors  
for Fairfax Hospital once a month.  
Teachers found work typed,  
and students were reminded of pride  
because of other TAB projects.  
Car washes and bake sales  
were the usual fund-raisers,  
while secret pals taxed the ingenuity  
as TABs provided surprises  
for other members of the club.

## Civs Boast Increased Membership

"The Gang,"  
a cheering section at basketball games,  
was a Civitan-Key Club idea  
to increase the spirit of the crowds,  
especially during tough district games.  
The Civitans also added  
to the color and excitement of Homecoming  
with the float they built with the Kadens,  
"We're Ape For a Victory."  
Service was given to the school  
as the club collected memberships  
for the Booster Club,  
which supports FC athletics.  
As a community service project,  
the Civitans collected for ALSAC.  
With their high-spirited antics,  
the Jr. Civitans brought  
an atmosphere of laughter to FCHS.

Organization? Well, at least they have fun.

## Key Club Supervises Football Field Clean-Up

Saturday mornings after football games,  
 some one had to pick up the debris.  
 That some one was the Key Club  
 who saw that the job was done  
 after every home game.  
 The club also aided the school  
 with its coat check at basketball games,  
 run with the help of the Cinvettes.  
 The community was served as they  
 collected for ALSAC, UNICEF,  
 worked at the Salvation Army,  
 and patterned a brain-damaged child.  
 The Key Club worked with  
 their sister organization, the Keyettes,  
 by caroling with them at the County Jail  
 and by holding a sleighing party  
 in the winter.

Getting your coat checked can be a harrowing experience!

# Selected Students Given Chance To Learn New Ways Of Life

Although no foreign exchange student was brought by the AFS this year, members still worked to raise money towards sending a FC student abroad this summer and bringing a student here in '71-'72.

Calendars of the school year.

FCHS pennants, and stuffed animals were sold in order to raise funds.

More than money was needed though for the exchange programs and an intensive search for a home for the student began in the spring.

AFS members were also interested in international events in the area.

A field trip to the International Fair provided members with a taste of foreign life.

## Organizations Prepare Members For Later Years

Students worked for a better future as they learned business skills and rapped about the life they lived in DECA and Campus life.

The Distributive Education Club was made up of DE students who sponsored an assembly on shoplifting.

Emphasizing a balanced life of spiritual, physical, mental, and social activities, Campus Life sponsored an assembly with the "Random Sample," a folk-singing group, Scream in the Dark, a Halloween trip to a haunted house, and a Burger Bash, a cook-out and rap session.

# GAA Manages Concession Stand Operations

Athletics brought many girls together in two clubs, one to encourage girls' sports and one to increase school spirit.

The Girls Athletic Association sponsored intramurals including basketball, tennis, volleyball, and dance, was in charge of concessions at home football and basketball games, and went camping in the spring.

Spirit was generated before any sports event by members of the Pep Club.

Spirit ribbons were ordered and sold, and the goal posts were decorated at home games by the spirited girls.

Morale-boosters and spirit-builders, the Varsity, JV, and Freshman cheering squads formed the Cheerleading Club. Clinics were held, pep rallies planned, spirit gimmicks designed, and advice exchanged to increase school spirit and the skills of the cheerleaders. Funds were raised by coke sales and a soc hop. The Club also took charge of the spring elections of Varsity and JV cheerleaders for the '71-'72 school year.

## Innovative Ideas Further Prospective Careers

Anticipating the future, members of two clubs developed skills which would aid them in their lives.

The Future Teachers of America were confronted with many opportunities to get an inside view of teaching.

Through the teachers aid program, assisting the Assistant Principal, and tutoring in elementary schools, members gained first-hand experience.

The Future Homemakers of America practiced the culinary arts and the social graces in activities like

the International Potluck Dinner, the Mother-Daughter Banquet, and Daddy-Date Night.

Picnics, parties and fund-raisers were also popular with the FHA.

## New Clubs Form New Relationships

Man's relationship to man  
and his relationship to his environment  
sparked the organization of two new clubs.

Students for Environmental Action  
worked to inform people on  
the environmental crisis.

Environment Week in February,  
seminars and speakers, and  
voter information on conservation issues,  
focused attention on all that  
still needs to be done.

The Newcomers Club tried  
to improve man's relationship with man  
as students new to Falls Church,  
especially foreign students, were invited  
to meetings and coke parties  
to acquaint them with the somewhat  
unusual life style at the high school.

Newcomer's Club, started by Arlene Ihara, merged with A.F.S. during the second semester.

# Shoplifting Assembly Enormous Success

The world of business  
was opened to the inquisitive students  
in VOT, and to the members  
of the FBLA.  
The Future Business Leaders of America  
put their know-how into use  
by staging in April  
the Miss Falls Church High Contest.  
Conventions in Harrisonburg, Virginia,  
and one this summer in Miami, Florida,  
were attended by several members.  
A pinata at a pep rally and  
a gift to the Cerebral Palsy Center  
were other service activities.  
Students enrolled in  
Vocational Office Training  
learned secretarial and office skills  
needed in the business world.

## Business Clubs Prepare For Future Employment

Some students would love to leave school after lunch and DE and ICT students do, only to go to work. Distributive Education and Industrial Co-operative Training trained students in business fields, and provided on-the-job experience. ICT steered members towards laboratory and manual work, while DE emphasized marketing, merchandising, and management. Besides earning extra money, students put their skills into practice and were graded on their progress. These courses were offered to juniors and seniors.

## Students Take Interests In The Arts

Interest in the arts caused increased membership in the two clubs which encouraged this interest, the Drama Club and the Art Club.

Little brother of the Thespians, the Drama Club shared activities with them. Melodramas were in the spotlight as members in Drama 3-4 wrote originals.

Play-going, writing a revue, and a Christmas children's play kept dramatic arts alive at FC. The Art Club worked closely with the Art Department in the arrangement of the Fine Arts Festival, and the production of the annual Variety Show.

Proceeds for the show provided a scholarship to an outstanding senior.

## 7th Period Provides Time For Special Clubs To Meet

Since no honor society exists for German, interested students met as the German Club.

A progressive dinner, and a St. Nicholas party were some of the ways club members learned more about Germany and the delights of German culture. Stamp collecting and coin collecting

was found to be a common hobby of many, so the Stamp and Coin Club was formed.

Here, the avid collectors could exchange information about their respective hobbies, and compare other collections with their own.

Different aspects of science fascinated two groups of students, one dealing with a specific branch and the other with science in general. The Cave Club investigated speleology or the study of caves.

Six different weekend trips, and twelve one day trips were planned to caves in the Virginia-Kentucky-Tennessee area.

A banquet and two spring picnics rounded out Cave Club activities. The Science Club sponsored speakers and field trips on various topics.

## Students Show Interests In Individual Competition

The art of self-defense was taught and practiced by members of two clubs. The Judo and Karate Club, begun this year, brought in outside experts to teach these age-old arts to guys and girls. Seventh period found the members practicing in Jaguar Hall. The Rifle Club continued to shoot at Ft. Belvoir this year. Better markmanship and knowledge of riflery were the goals of members, who found that much practice was the only way to perfect skills.

The school store was run daily by the Business students.

Administrative load was lightened by students who volunteered to work in the main office, the guidance office, the clinic, the library, the school store, and the attendance office.

Phone calls were recorded, passes counted and given, appointments made, supplies sold, and statistics recorded all by student aids who worked during free periods. The staffs in the various offices were grateful for the help and the students learned many valuable skills.

# Band Presents Finale At Virginia Beach

The pep band proudly plays the fight song.

The Marching and Concert Bands just couldn't keep their eyes off trophies and honors this year.

Invitations to play came from the Parade of Champions in Philadelphia, where the Marching Band won a bronze medal for their show, the Cherry Blossom Parade, and the Virginia Beach Band Festival.

The Band was also honored as Falls Church High School Band Week was proclaimed in Fairfax County and the City of Falls Church in the fall. Besides designing outstanding halftime shows for football games and performing for seasonal concerts, the Band played at the halftime of the UVa-Army football game.

Mrs. Hettler, the new choral director, brought many innovations with her to Falls Church.

The Girls Ensemble, the Barbershop Quartet, and the Folk Singers were new groups on the choral scene. All the groups elected officers and librarians this year to conduct business and to take care of the music.

The girls in every group made new green dresses to wear for performances. The biggest project was "Once Upon A Mattress" which was put on in May.

"My heart doth beg you'll not forget . . ." sing the Madrigals.

The Concert Choir presents a selection of modern songs.

One of the greatest successes of the Fall assembly was the Barbershop Quartet.

## Choral Department Sends 19 To All-County Chorus

From the select group of Madrigals to the large Concert Choir, FC students organized their singing. Madrigals were mostly upperclassmen who learned English and Italian madrigals to sing at a fall PTA meeting and a YWCA Tea in Fairfax.

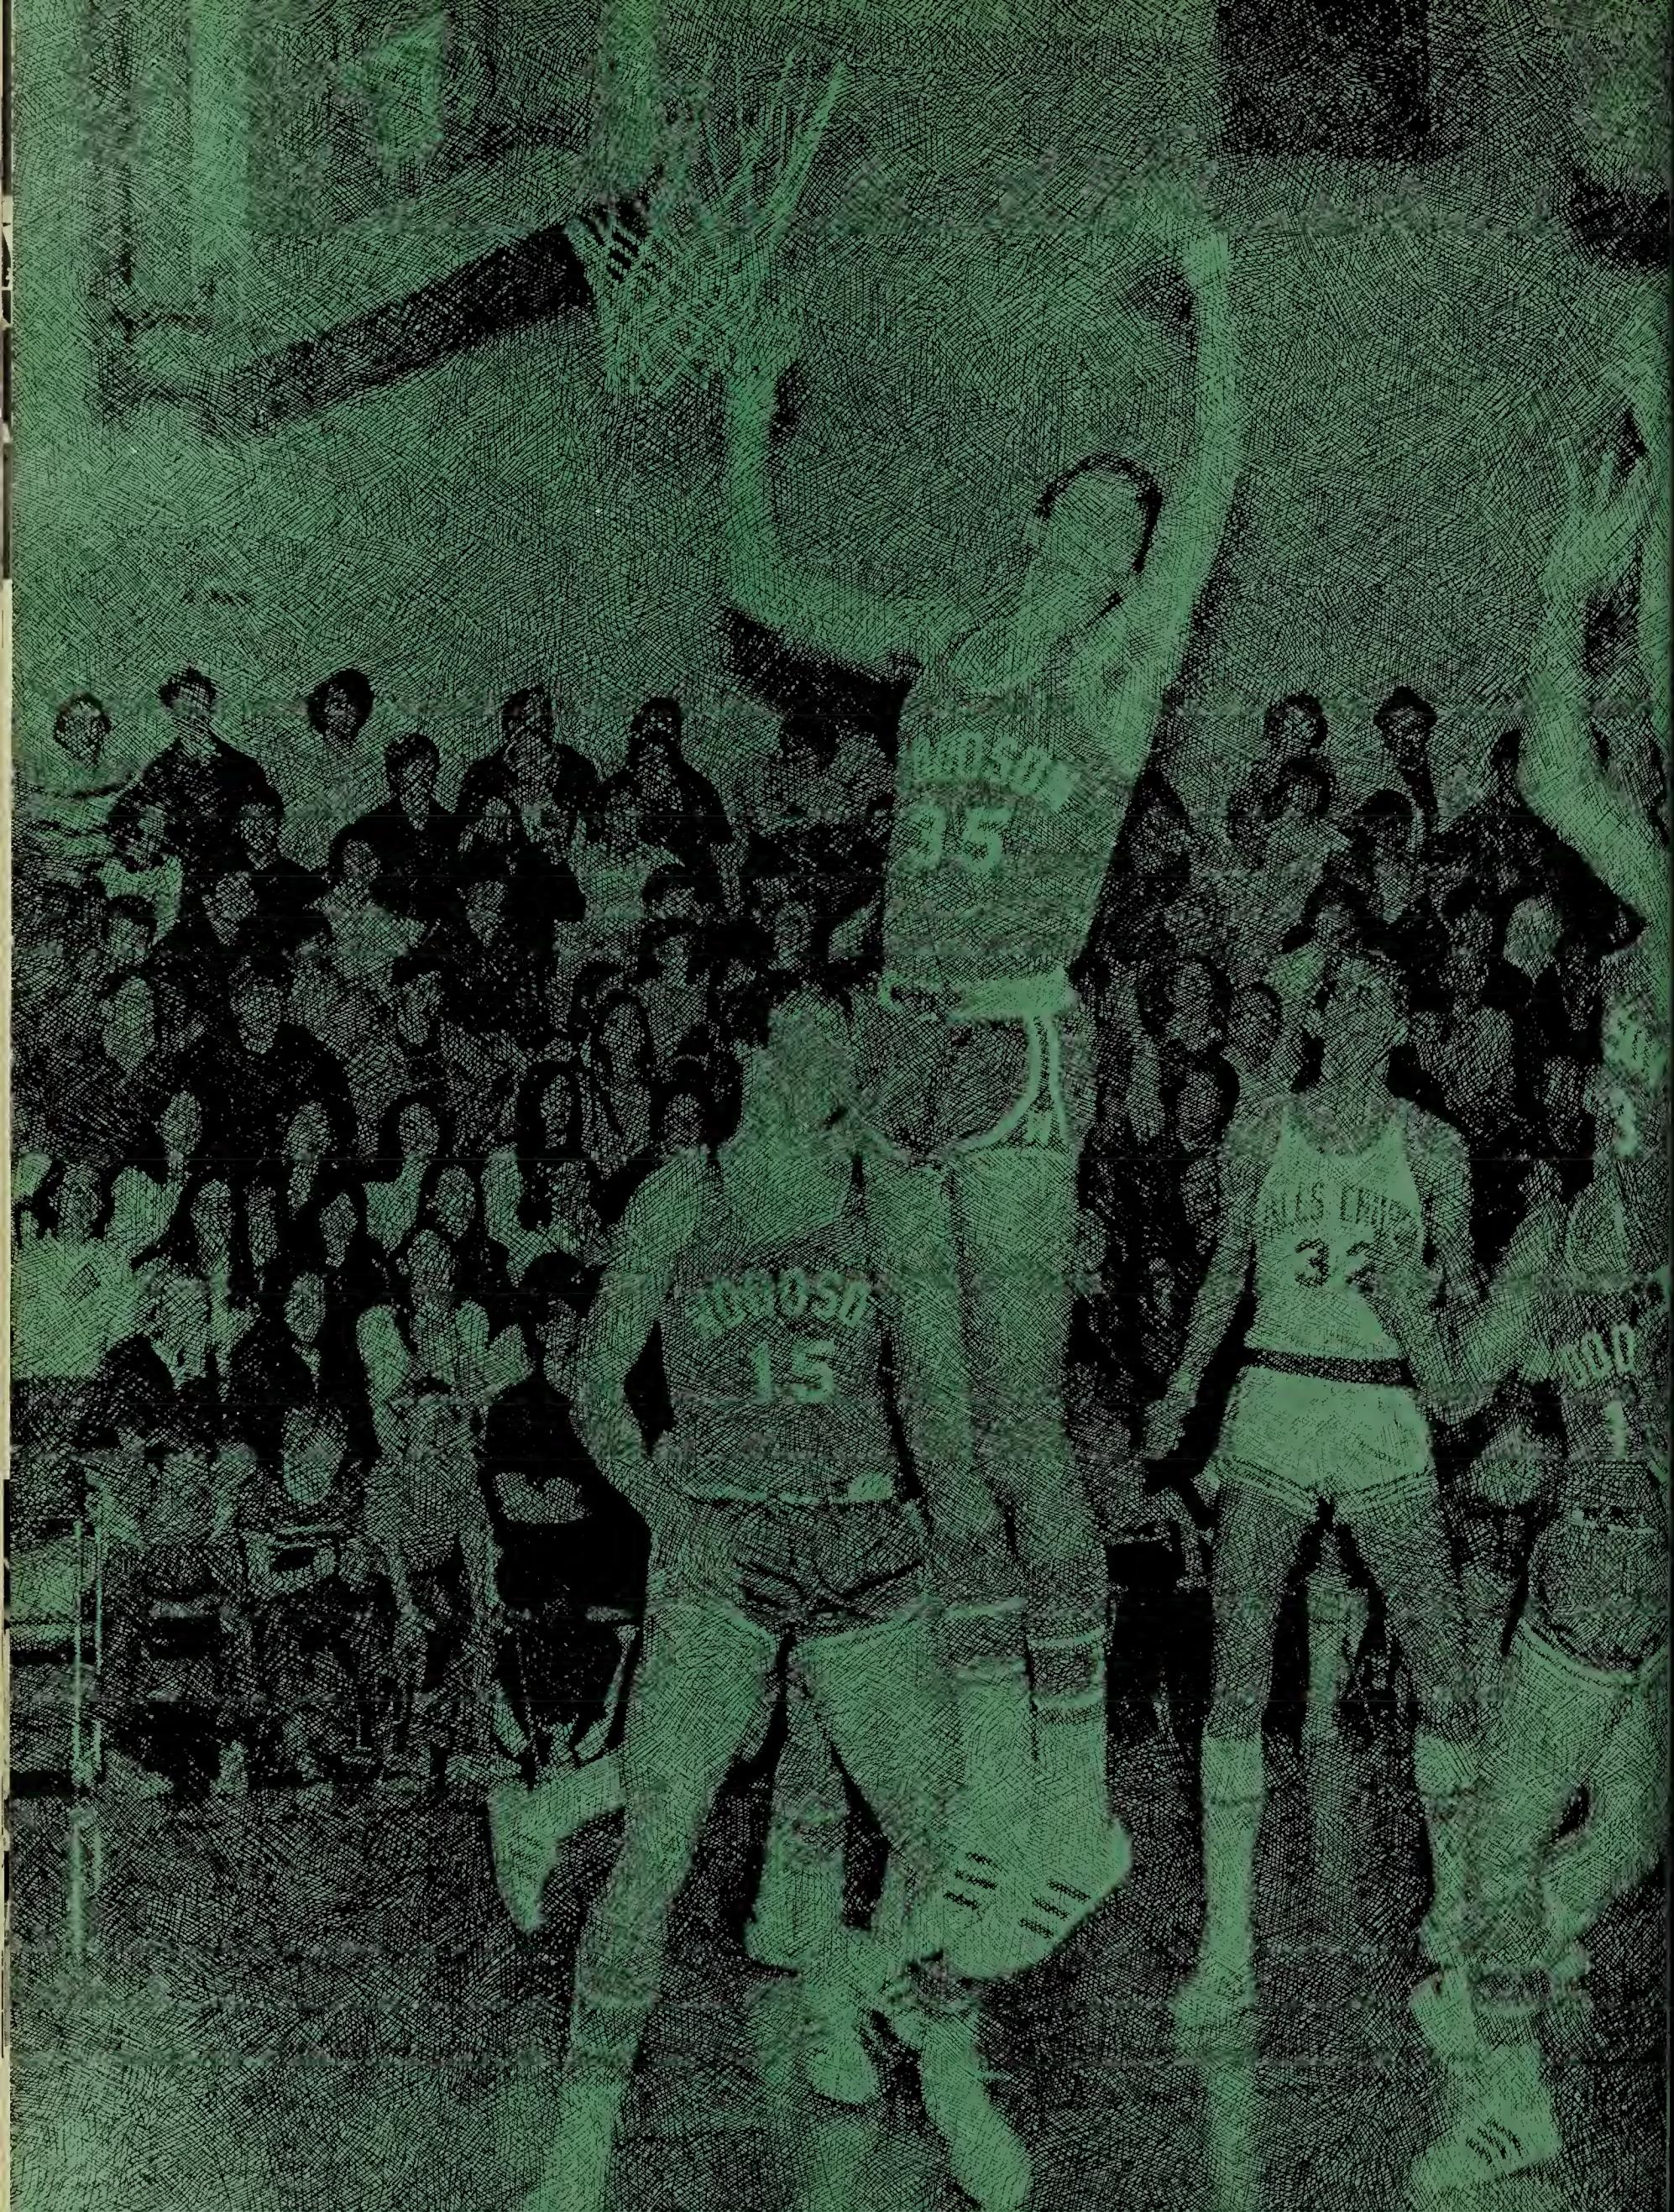

The Concert Choir involved most of those in the Choral Department and included modern songs in their repertoire.

The Mixed Chorus was made up of freshmen who gained necessary skills in reading music and performing in a group. These groups joined to present

Thanksgiving and Christmas assemblies, a Spring Concert, and a program at graduation.

The Mixed Chorus blends an array of voices.

## Varsity Jags Make "The Bell" a Tradition

For the second year in a row, the Varsity football team smashed the Stuart Raiders in the last game of the season to make "the Bell" a tradition at FC.

The Regional Champion Marshall Statesmen met their only defeat of the season at the hands of the Jaguars in the opening game.

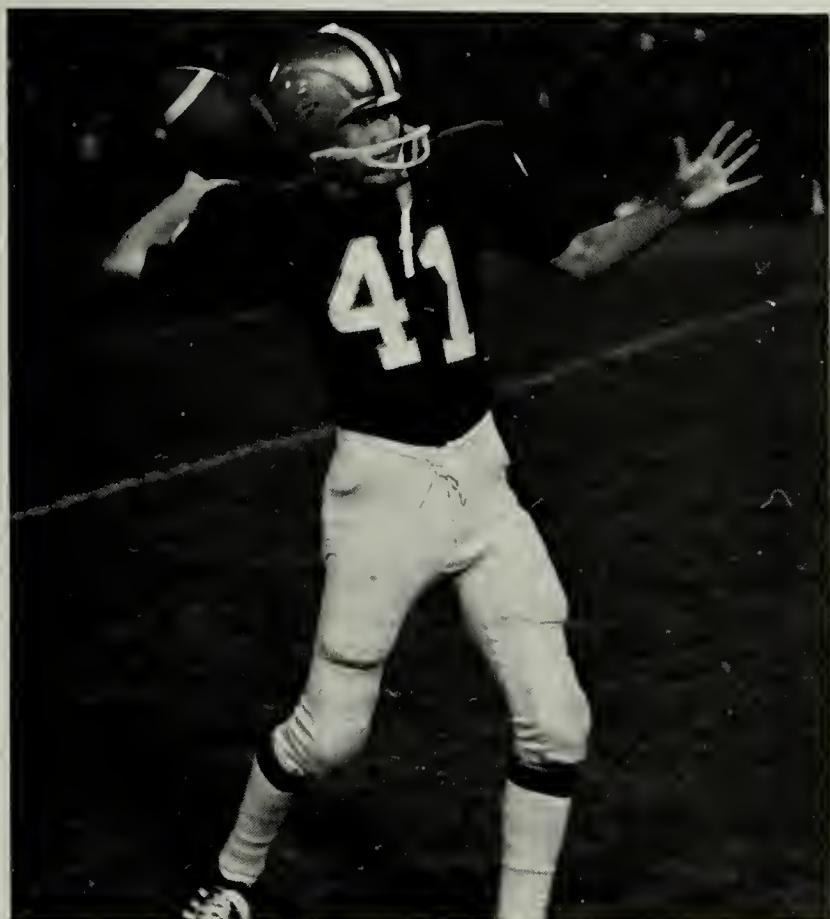

A victory at Homecoming proved to be habit-forming as the Jags crushed Jefferson 49-8.

The team took vengeance for the only regular season loss in '69-'70 by rolling over Madsion 45-6.

Unfortunately, the three defeats came from tough district competitors, Annandale, Fairfax, and champs, Woodson.

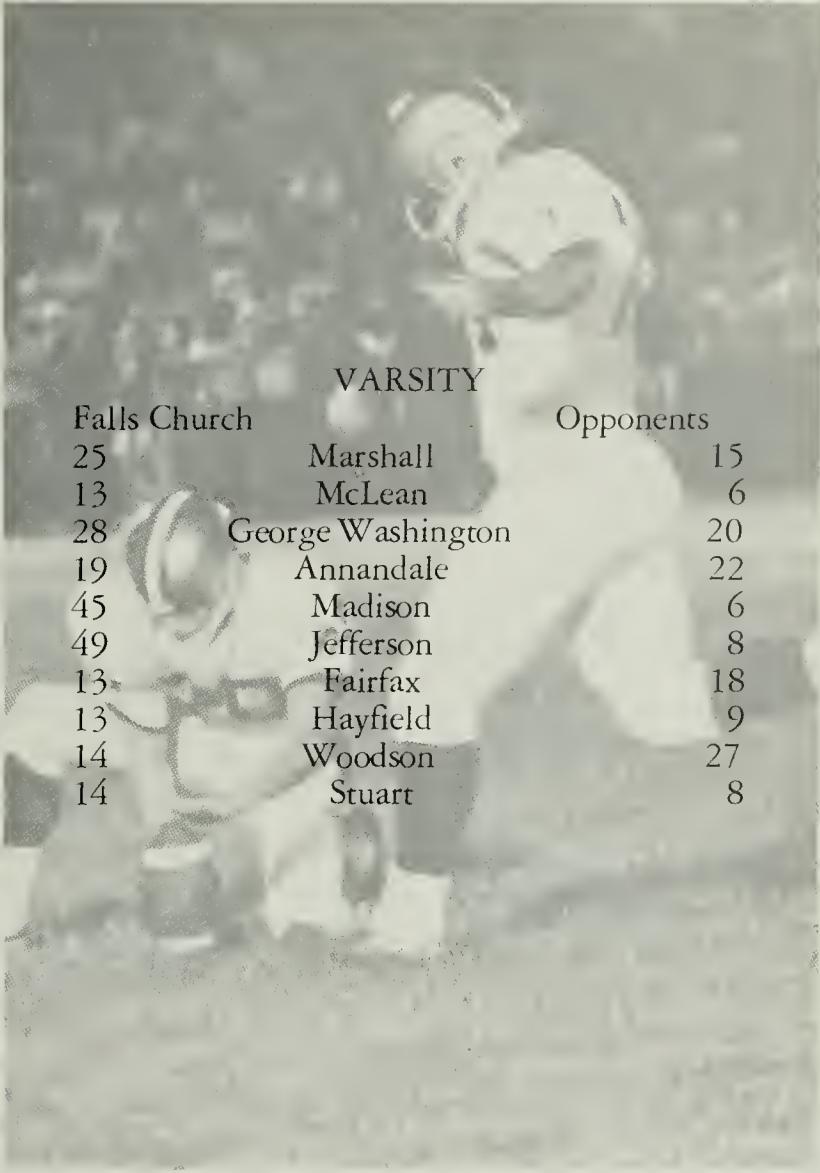

Robbie Day follows Mike Hyatt into the hole.

Jaguar linemen break down the Cavalier rush.

A fine season record of 7-3 proved to be dissatisfying as the Jaguars ranked near the bottom in the Northern District competition. However, the team gained recognition by being rated eighteenth in the state, higher than any other district team.

The spectators will always remember the excitement and thrill of the games. Memories, such as

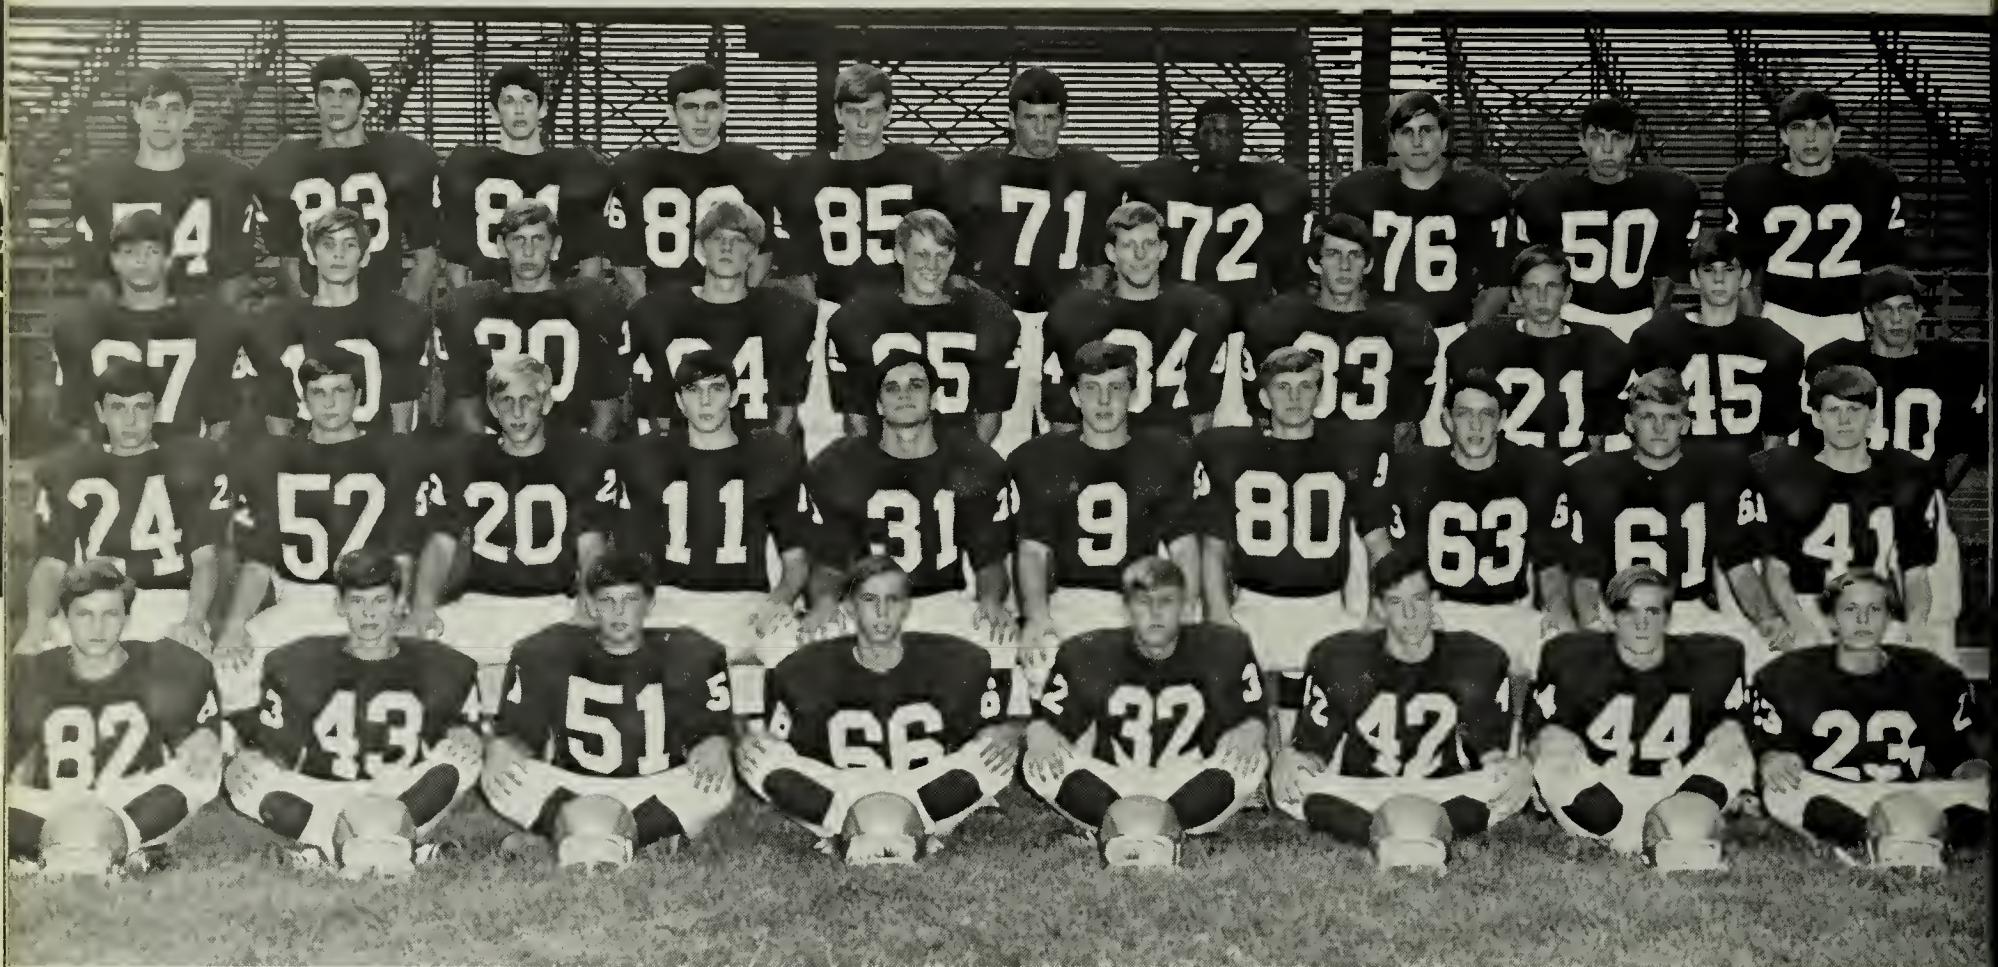

the time an official caught a pass, the cheerleaders' agitated cries, the colorful halftime shows, and fine performances by individual players, made the game what it was for the fans.

The shouts of "Battle Cry" and the strains of the fight song after a TD were part of the 1970 football season.

## Freshmen, Junior Varsity Finish Season Strong

The JV football team came within one game of the district trophy.

Their chances were spoiled by an opening loss to the Woodson JV.

The tough defense allowed only twelve points to be scored in the remaining seven games, five of which were shutouts.

The frosh squad had better luck and wrapped up a district title.

Their only loss was to Annadale in the opener.

From their coaches, these underclassmen learned the FC style of football and, most important, a championship attitude which will provide future Varsity teams with fine players.

# Jaguars Make Regionals

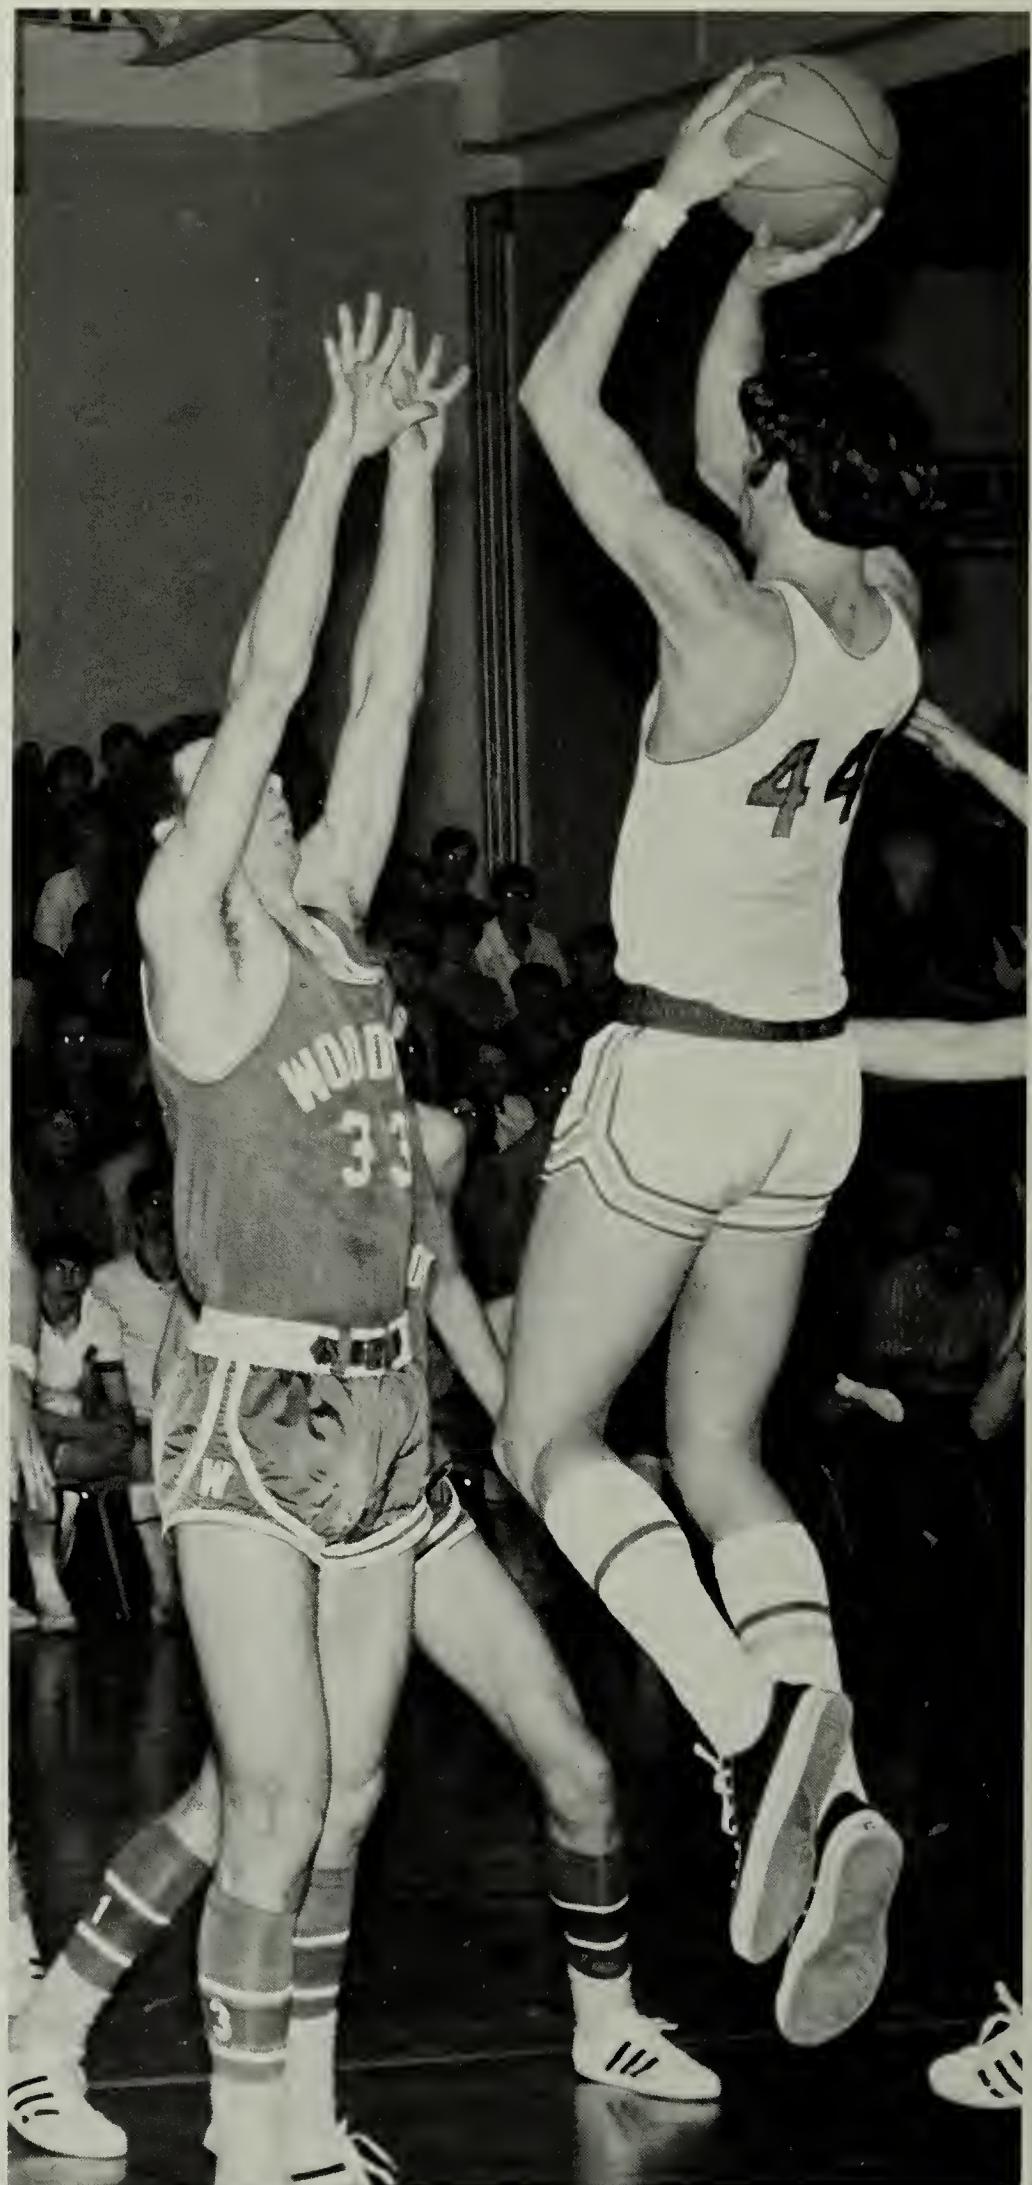

The team was plagued by injuries and by the suspension of Coach Warren during part of the season due to an infraction of the Virginia High School League rules involving pre-season play.

Despite these problems, the Varsity Jags overcame all district competitors, except for the winner, Woodson, to place second in the Tournament and to go on to Regional play.

It was in the quarter-finals of the Regional Tournament that Falls Church played the best game of their season as the Jags walked over McLean by a score of 71-53.

## J.V. And Frosh Compile Impressive Records

After a slow start, the JV Basketball team quickened the pace to come back at season's end to even the record to 9-9. The team also entered a play-off for a JV Tournament berth, but lost to a tough Fairfax JV.

Despite a lot of injuries to key players, the JV turned in a good performance and saw the beginnings of potential Varsity stars.

The Freshmen Cagers shot their way to a victorious 7-5 season record.

This team, too, was bothered by many injured players, but the boys overcame this problem to defeat most opponents.

## Varsity Matmen Powered By Underclassmen

A first and second place in State,  
and a fourth place in State team scores

was the proud boast of the  
Varsity Wrestling team.

The team as a whole

had an even 5-5-1 record  
after starting the season with two losses,  
coming from Edison and Yorktown.

Many of the matches lasted

down to the wire  
as big Steve Friend pulled out  
victories over Woodson  
and Annandale in the final match.

The last match of the season against  
Mt. Vernon was unique as FC won by forfeit  
because of the unsportsmanlike conduct  
of Mt. Vernon fans  
who pitched pennies onto the mats.

# Wrestlers Utilize New Lighting Technique

Unbeaten Steve Friend became the State Heavyweight Champion as he defeated all his opponents in the State Tournament in Norfolk. Friend did not have a single point scored against him during the regular season.

Donnie Smith at 119 lbs. suffered his only loss of the year in placing second at State. Wrestling at 138 lbs., senior Bob Wilson won fourth place in Regional matches. With eleven returning lettermen and an outstanding JV squad, next year's Varsity Wrestling teams should be a strong force in both district and State.

Ronnie Crum sizes up the opposition.

Steve Friend prepares to take down another man on his way to the State Championship.

Bob Wilson turns his opponent for the pin.

Donnie Hall escapes for one.

The JV Wrestling team ended the year with a 10-0-1 record and high hopes for the '71-'72 season.

The boys gained a lot of experience as their ten victories show with their only tie coming at the hands of the rival Stuart Raiders.

Next year's Varsity grapplers will benefit from the winning ways of these sophomores and juniors.

The Freshmen Wrestling squad did not participate in many matches as several opponents forfeited. The team remained undefeated in the remaining clashes and the frosh got a taste of real inter-scholastic wrestling.

## Jags Look To Underclassmen For Aid

Ron Buckley, though only a sophomore, provided a steady influence behind the plate.

A young, untried squad  
who depended on their pitching  
was the Jaguar challenge  
to the Northern District title  
in Varsity Baseball this spring,  
as only five seniors  
returned to the Varsity team.

Several untested underclassmen  
were called up to fill  
the openings on the squad.  
Practice in the arts of  
fielding, hitting,

## J.V. Team Shows Promise

The JV Baseball team was also a bit on the young side as many potential players were moved up to Varsity.

It took a lot of elbow grease and long hours of practice to perfect those skills necessary for a successful team.

The squad faced each opposing team with such vigor and such a will to win that their victory was almost assured.

Teamwork and Jaguar spirit sent the JV team down that difficult road to the District title and a fantastic season.

## Young Cinderlemen Battle Experience

Young teams dominated the Jaguar sports scene including the track and cross-country teams.

The long-distance runners had a disappointing 0-5 record, but several individuals, including Greg Elwood and Alan Carraway, consistently did well.

The indoor and outdoor track teams lost many lettermen last year in field events.

The mile relay team was the strong point of the team.

In competition at the Naval Academy, the boys won their heat but unfortunately did not place in overall scoring.

Skip Shackleford slams a return shot.

## Teams Strive To Improve Spring Sports Record

The spring sports of golf and tennis spent a season re-building their teams. The tennis team had not won a match in the previous four years until the '71 season brought a marked improvement in the team's play as shown by their twelve matches. Although the golf team was small, they excelled in inter-scholastic competition. Participation in the Quantico Invitational which was limited to selected Virginia golf teams was a highlight of their season. These two sports gained a following because of their improved play.

#### Marksmen Gain Valuable Skills

Gaining experience was the focal point of the rifle team's season. The young team practiced and held their matches at Fort Myers.

The season got off to a bad start with three losses, but things picked up as the underclassmen, with the exception of one senior, improved with practice.

With so many young marksmen, next year's squad should surpass this year's team. The rifle team was another squad that reflected this year's "Jaguar power".

Third Row—P. Schafer, M. Hepler, A. Day, S. Miller, Coach Reynolds, L. Bussler, B. Slominski, L. Mastropaoolo.

## Girls Teams Benefit By Increased Interest

Tumbling, balance beam, and free exercise were just some of the events in which the Girls Gymnastic team participated in County and Regional meets. Linda Carraway won first place in balance beam in the County, while Barbara Porvaznik placed in the top ten in four events in the Regional meet. Other team members did well in competition, and eleven of them will return next year to better their good record.

## Varsity Just Misses Title

The Varsity hockey team suffered a tough loss to Woodson in their last game, and the County Championship slipped from their grasp. Otherwise, the team piled up a fantastic 6-2 record. As ten senior varsity players graduated, coaches will look to the J.V., who had a disappointing season, to fill the ranks next fall. As a result of hard work and much practice, Varsity players found a winning combination and J.V. gained vital experience in the art of field hockey. Getting together brought good times and many memories to all.

## Girl's Squads Experience Rebuilding Year

The Girls Varsity Basketball team placed third in the district even though their season record was 4-8.

The girls put a lot of spirit and hustle into their playing, but really did not begin winning until the end of their season.

The unfortunate lack of experience handicapped the JV Jags as their season ended 0-12.

The team members were mostly frosh who picked up a lot of skill and practice the hard way.

Next year's teams should benefit from the disappointing '70-'71 season

# Varsity Cheerleaders

Smiling in the face of defeat  
is a hard part of being a cheerleader.  
For the Varsity girls,  
there were new cheers to teach,  
pep rallies to plan,  
locker stickers to pep up the teams,  
slogans and posters to create  
all to generate spirit and enthusiasm  
for FC athletic teams.

It was the job of these girls  
to make sure the boys knew that  
the school was behind them all the way.  
Long hours of practice  
and a lot of hard work  
went into perfecting the  
precision and timing  
demanded by all the cheers,  
chants, and routines.

## J.V., Frosh Cheerleaders Employ New Cheers

Building up enthusiasm  
for the JV and Freshmen teams  
was the job of the  
JV and Freshmen cheering squads.  
The girls put a lot of time  
into publicizing the games  
to make sure the school was aware  
of the fine job being done.  
During football, basketball,  
and wrestling seasons  
the squads were busy  
going to the events  
and building up the spirit of the crowds  
and building up the confidence of the boys.

JV and Freshmen athletes  
never felt neglected as the girls  
brought them baked surprises  
and lots of hustle as well.

# New Principal Adds New Dimensions To Administration

Mr. Rodney B. Taylor came to FC via Groveton High School to become the new principal. His goal was to solve problems with honest communication between students and administration. He emphasized that all students should play an important role in the school. Whether dealing with the School Board or "rapping" with students, Mr. Taylor aimed for the best for everyone.

Mr. Marion Martin, Mr. Joseph King, and Mr. John Schultz worked closely with Mr. Taylor in handling the discipline, enlarging the curriculum, and running the school efficiently.

# Guidance Staff Aids With Student Problems

Guidance was for those with problems of any sort. Underclassmen chose courses, while seniors chose colleges with the help of their counselors. Counselors were also there for those who had trouble attending classes, those who needed transfers, and those who desired personal counseling. The guidance staff also administered a myriad of initialed tests. SAT, PSAT, and AT, STEP and SCAT, and NEDT and NMSQT, were given to students at various times. Even at 8:00 a.m. Saturday morning, the guidance staff assisted students in their quest for knowledge.

## Library Staff and Secretaries Lighten Administrative Load

With that term paper due  
and that book report approaching,  
students flocked to one place—  
the library.

Whether to do school work or  
to find a recreational book,  
students could always depend on  
the librarians to select the right volume.

Surrounded by stacks of paperwork,  
the school secretaries manned the phones  
and took some of the burden off  
teachers and administrators.

The Finance Office supervised the money  
of every school organization  
and was familiar to each harried treasurer.  
Report cards and schedules  
came spewing from the IBM room,  
all neatly processed and numbered.

# Thematic Approach Geared to Individuals

Sophomores, juniors, and seniors  
faced a big decision each nine weeks--  
which English course to take.

Thematic English  
delighted both students and teachers  
because each could follow personal tastes.

Teachers could develop courses  
according to their interests and training.

Students gained necessary skills  
while pursuing a single theme.

Courses on African literature,  
love and marriage,  
and the nature of the devil  
were only some of the available topics.  
Freshmen did not take thematic courses,  
but had different teachers  
for different aspects of  
English language and literature.

## Specialized Courses Encourage Thinking

The English Department also offered courses for above average students and those with special interests. Juniors crossed departmental lines in American Civilization to view history and literature as a whole. Challenging discussions drew parallels between yesterday's and today's world. Seniors went one step further and attempted to become human beings in Humanities. The disciplines of literature, government, philosophy, art, and music were combined to start each student thinking.

Drama classes were offered for students who wanted to learn the fundamentals.

Behind-the-scenes techniques were taught, as well as acting and dramatic history, to enable students to participate in plays.

## Paperback Books Find A Home

Revolt finally surfaced at FCHS in the form of the Social Studies Department's "paperback revolution."

Traditional textbooks were often abandoned for special library research, paperbacks on historical topics, novels on social issues, and commentaries on sociological problems.

Students studied the issues that plague man of war and peace,

and racism and misunderstanding in their historical context and modern forms.

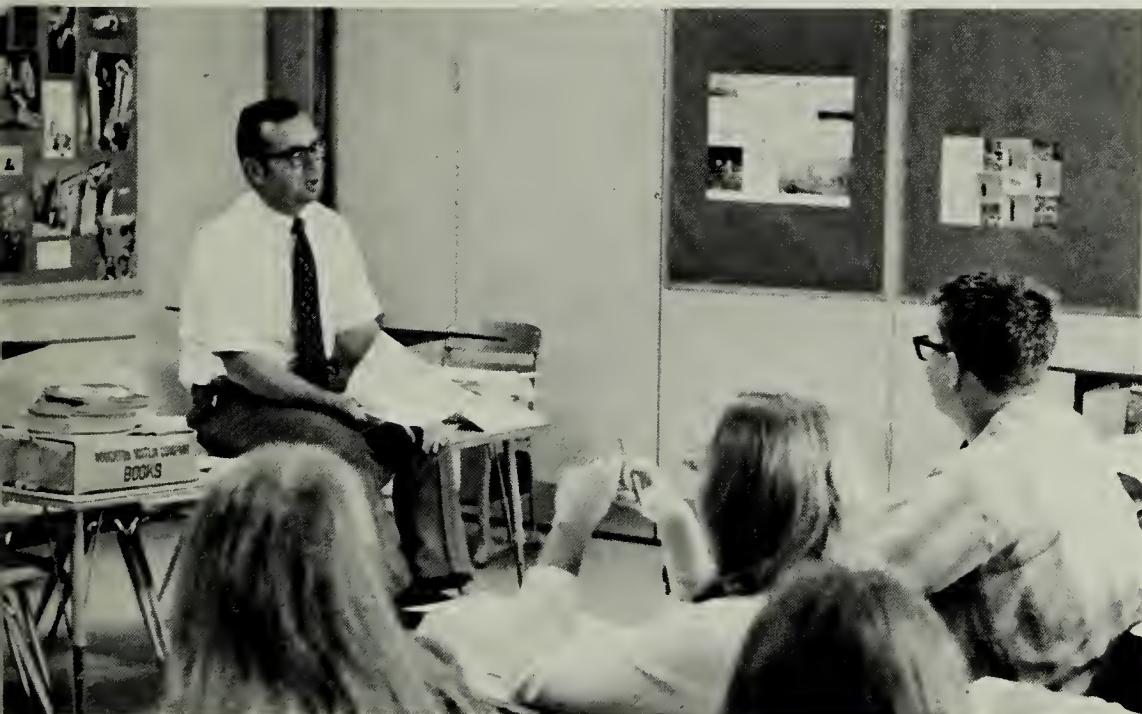

A full-year, elective course in Black History

was offered to students for the first time.

The Sociology and Economics electives were taught as single courses instead of being treated as one.

# Cultural Opportunities Enrich Language Study

Teachers who were native speakers  
of the language they taught  
were in abundance in the Foreign Languages.

Hearing a language as it should be spoken  
greatly aided Romance language students.

World travelers,  
visits to museums,  
and films in foreign language  
enriched the accompanying culture study.

Latin students also discovered that  
their study improved their English grades.

A new text,  
which was in its second year of usage,  
was a revised version of the familiar A-LM.

Fifth year students  
did the usual grammar and vocabulary work,  
then supplemented their reading  
with famous plays and novels.

# Math Computer Solves Advanced Problems

Paper and pencils, compass and protractors, and log and functions tables are familiar tools to math students. But the dawning of the new decade brought the Age of the Computer and a new tool to FCHS. Two Honeywell computer terminals, connected to a master computer in Boston and open from 1:00 to 3:00 p.m. daily, were programmed to solve problems in mathematics and logic. The interested students, that worked with the computer seventh, found that the computer was limited only by their own capabilities. The language of the computer became our sixth foreign language.

# Environmental Crisis Explored In Greater Depth

astronomical  
aspects of the universe were studied.  
Discussion of modern issues,  
especially those concerning environment,  
became a must for every class.  
Students taking the course in Astronomy  
had full use of the FC Planetarium.  
Experiments and demonstrations, and

## Home Ec and Shop Stress Their Relevancy

The patterns of daily living, the role of the individual in the family, the changing needs of young people—these complex ideas, and more, were part of the Home Economics curriculum.

With specialized courses in Consumer Education and Food Service, home economics tried to make modern life a bit easier.

Contemporary was the word as Industrial Arts strove to be a part of every student's general education.

Shop became relevant as new techniques of instruction, such as the individual, group, and unit projects, were used to interest both male and female.

Students determined course content as all aspects of industry were studied.

## Fine Arts Encourage Creative Expression

The accent was on the individual as student artists found new ways to exhibit their work. "La Petite Gallerie" opened in room 155 placing one-man shows and individual exhibits in public view. A school-wide "Fine Arts Festival" was the spring setting of the Art Show.

With the arrival of a new director, the Choral Department took on new dimensions.

The Barbershop Quartet and the Folk Singing Group performed along with the established groups at assemblies and the Christmas Concert.

The marching and concert bands eagerly used seventh period for practicing. It took co-operation from all the bands to make this year another prize-winner.

# Physical Education Involves Teamwork

MISS HOLLY HAMMERLE  
HPE 9

MISS NANCY WEISGERBER  
HPE 10; PE 11, 12

Health and Physical Education classes contained exactly that--classroom study of mental health, driver's education, and first aid, and physical education study.

All types of sports were taught: tennis, hockey, archery, football, basketball, baseball, wrestling, soccer, and softball were among the many offered. Both individual and group activities were studied in boys' and girls' gym. Sportsmanship, team, work, and basic skills were the fundamentals for all Physical Education classes.

Don't worry Miss Reynolds, she'll realize that she's going the wrong way in a minute.

BERNICE LILLY  
HPE 10

These people make it possible for us to "get together" each day.

A time to relax and have lunch.

Would you believe these halls were clean this morning?

## Special Services By Dependable Helpers

Preparation of food takes hours of endless tasks.

While teachers and administrators took care of students' mental needs, the cafeteria and janitorial staffs took care of the physical side. The cafeteria tried to cater to all tastes by providing a regular lunch line, a hamburger line, and an a la carte menu.

The janitors were kept busy keeping the school in good condition, something students don't often appreciate. Flooded bathrooms, broken radiators, and that mound of cafeteria trash were usual problems for the staff. The school building wouldn't last long without the work of these staffs.

Who gives us the best spaghetti in town? Our efficient, pleasant cafeteria staff.

## Students

### Students

The prime ingredients of High School.  
Individuals coming to learn, to laugh,  
to live, or some to sit  
and merely exist.  
A mixture of so many personalities  
with different feelings and thoughts.

Vice-President — Mary-Jane Bell

Secretary — Gina Georgevitch

Cabinet Officer — Lauri Goodman

Treasurer — Brenda Ferguson

## Class Of '71 Enjoys Long Awaited Senior Privileges

Getting together as the class who first completed four years on Jaguar Trail, won float competition three straight years, debated on their gift at a class assembly, was the Senior class. So full of school spirit, class pride, and enthusiasm for all projects, the Seniors made their last year their best. Rummage sales, an "Oriental Gardens" Homecoming, and a highly successful Sadie Hawkins brought much money to the treasury. Although they may have argued about a gift or graduation ceremonies during the year, Seniors were unified by fond memories of life at FCHS and bright hopes for the future.

# Class of '74 Begins Four Year Stretch

Phyllis Barley calls on her V.P., Mike Harris, for his opinion.

Hard-working frosh  
got together early in the fall  
to begin their four-year stretch.  
A lot of time and energy was put  
into a Homecoming float,  
the Magizine Drive,  
the hall decoration for Pride Week,  
and a spring dance.

The freshmen began to look toward the future  
by raising funds  
for upcoming class projects.  
Full of school pride,  
the class of 1974  
established itself in the FC tradition.

Freshmen representatives realize the importance of making plans early.

## Sophomores Tackle Second Year

Sophomores gained much experience, by working with the Juniors, in the field of financing a Prom. Fund-raising projects were high on their list of activities. Bake sales, candy sales, and a soc hop after the Woodson football game, all poured money into the treasury. The class of '73 also showed pride with their stoplight Homecoming float, and hall decorations during Pride Week. With all that experience behind them, Sophomores are looking forward to an outstanding Junior Year.

# Class Of '72 Takes On The Challenge Of Their Junior Year

Because of a lot of class participation and financial support in the form of dues, the Juniors presented the 1971 Prom in May. The year was filled with fund-raisers

such as donut and candy sales, bake sales and car washes, soc hops and popsicle sales.

Juniors also shouldered the burden of a now informal Christmas Dance and the Ring Dance.

A Spaghetti Dinner with a Talent Show after was another Junior innovation.

The end of the year brought the long expected rings, and the coveted status of SENIOR.

Big Ben Hawkins is pleased with his position as a Junior.

Junior Class Officers—Mindy Hatton, Cabinet; Debi Smith, Vice-President; Georgina Oke, President; Debbie Erwin, Secretary; Brenda Albert, Treasurer.

Junior artists get together to share their techniques.

The Junior class played a large part in the Homecoming festivities with their sparkling representative, Carinne Binda, and their prize-winning elephant.

## THE BUGGY WORKS

7700 Lee Highway  
Falls Church  
560—4456

To come to the end of producing a yearbook brings a feeling of happiness, much relief and a kind of wistfulness that it is finally all over. The work was at times both hopeful and hopeless and great effort was put forth by many people to make this *Jaguar* as good as possible.

The entire staff deserves a huge thank-you. From our summer layout meetings and planning sessions to the crazy weekends and harrowing nights of cropping, thinking, worrying and laughing, the miserable word "deadline", and the constant nagging of the editor — we did manage to "get together". To such a capable staff I give my thanks for their enthusiasm, talents and countless hours of work.

Appreciation also goes to Mr. Brogan for his advising, management and ability to straighten out problems; to Mr. Deal of LaMont Studios for his fine photography and patience; to Mr. Ellis and Mr. Perry of Hunter Publishing Company for their interest and professional help; to the faculty, administration and parents of staff members for their understanding and encouragement.

Last of all my thanks go to the students of Falls Church High School for whom this yearbook was meant.

## A Small Step Toward Getting Together

The little things — yet so important.

Finding out, at least for a day,  
that the classroom really  
can be a place of interest.

Listening with your friend to the  
National Anthem  
being played at *your* school.  
Knowing that someone  
is always there to help.

Waiting with everybody else  
for that yellow bus to come.

Searching yourself  
and liking what you find.  
A small step toward  
Getting Together.

It's in the faces of people.  
The feeling of finding  
some measure of success  
in a year.  
The happy moments shared.  
Yet the frustrations.  
Knowing that all  
hasn't gone right —  
That time was wasted and  
goals were not achieved.  
The hope that it isn't  
the end.  
But a new beginning.  
A small step toward  
Getting Together.
